

Best Practices

1.Environmental Awareness-

Title- our campus Green Campus

Goal- to maintain environmental balance of the campus and the surroundings

Context- To create awareness about the environment among the student and local people.

Practice- Our college campus is eco- friendly. It is surrounded with trees, ponds and football ground. College garden is maintained by a support staff specifically appointed for this job. A medicinal garden is maintained by the NSS and biodiversity club. Although the campus has sufficient greenery new saplings are planted regularly through plantation programme.NSS, NCC and bio diversity club through their activities tries to create awareness about the environment.NSS initiates cleaning drive regularly. To maintain Eco friendly environment in the campus the administration took some steps-

The campus is declared Tobacco Free

Campus has announced Plastic Free Zone

Organic Fertilizer is used in the garden

Less wastage of water and electricity

Use of LED lamp in the library building

Separate policy for e waste and chemical waste.

2) Extension Activities

Title- Help the Society as you can

Goal- to create awareness among the student as well as among the local people about various social and health issues.

Context – to be a part of the society and work for the wellbeing of the locality.

Practice- College is working for the wellbeing of the locality through the activities of NSS units and NCC.

Three NSS units of the college organise various activities through which the institution delivers its social responsibility towards the community at large. NSS units has adopted three villages in the adjacent area and various programmes are conducted on the issues relevant for those locality. They organise awareness programmes on Thalassemia. Thalassemia detection camp is organised regularly as a large no of thalassemia patients are reported in the locality. Awareness seminar & rally on AIDS in the town are also organised.

NSS and NCC units are also taking important roles in making the campus green. With the help of biodiversity club they plant saplings in the campus, maintain medicinal plant garden, helps the administration to make the campus plastic free. Anti tobacco mission have been also adopted by the NSS. They campaign against wastage of water, electricity through posters in the campus.

Volunteers of NSS & NCC observe Republic Day and Independence Day, Yoga Day. At the time of Srabani mela (a local month long religious festival when thousands of devotees visit Tarakeswar), NSS units and NCC Cadets helps local government administration in the management of facilities and traffic.

Programme for distribution of winter clothes to the needy people of the locality was initiated by NSS with the help of IQAC.

Ralley against the use of plastic

Plantation Programme
